

Center in Montrose, Colorado. She was blessed with two sons—Jack, who is a business owner and lives in Ouray, and Lester who resides in Grand Junction, Colorado.

No day would be complete for Mary without her son Jack delivering a small soda and an order of french fries from the local McDonald's restaurant. Since she was old enough to have solid food, Mary has always loved french fries and her affection for these potatoes has sparked a keen interest in her community. She was recently been asked to perform the ribbon cutting ceremony at the grand opening for the new McDonald's in Montrose. Mary attributes her longevity to not only the french fries, but also the hard work and dedication that she has performed throughout her life.

When Mary was in junior high school, she quit her formal schooling to assist her mother in cooking, cleaning and washing for the local miners in order to feed the six children in their family. Since that time, it seems that she has never stopped providing for others. Mary often cooked for community dinners, aided her brother at his market, carried on her husband's moonshine business after he passed away, and operated a legitimate liquor store following Prohibition. In addition, she did numerous tasks at two hotels and also offered a helping hand at her son's bakery. Not surprisingly, at the age of 97, she was still carrying her own coal to her furnace—two buckets at a time. Mary often wonders "why such a fuss" is being made over her.

Mr. Speaker, Mary Clark is a phenomenal individual who has dedicated her life to the service of others through her hard work. French fries and a strong work ethic have contributed greatly to her longevity and it is with great pleasure that I honor her today. Happy Birthday Mary!

TRIBUTE TO NATIONAL THERAPEUTIC RECREATION WEEK IN SOUTH CAROLINA

HON. JAMES E. CLYBURN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 18, 2001

Mr. CLYBURN. Mr. Speaker, I rise today in recognition of "National Therapeutic Week" in South Carolina as proclaimed by Governor Jim Hodges.

The purpose of this event, which was held July 8–15, 2001, was to increase public awareness of therapeutic recreation programs and services, and expand recreational and leisure opportunities for individuals with disabilities. Physical therapists from all over the state met and worked together to eliminate barriers to leisure activities for many with disabilities and educate people in leisure skills and attitudes. These therapists constantly stressed the importance and advantage of having a clear understanding of how involvement in leisure and recreational activities improves physical and psychosocial health, and how recreation can provide individuals with a sense of self-confidence and satisfaction.

The theme for "National Therapeutic Recreation Week" was "Therapeutic Recreation . . . Examine the Possibilities." The theme suited the occasion perfectly, as the aim was to explore a variety of methods used by therapeutic recreation professionals to enhance the

quality of life and well being of persons with disabilities.

This year's "National Therapeutic Recreation Week" will hopefully generate more interest and encourage all South Carolinians to recognize the positive benefits of leisure and recreation.

Mr. Speaker, last week thousands of South Carolinians devoted their time and energy to improve their quality of life, and also the lives of others. Please join me in recognizing the gallant efforts of these individuals, and the wonderful accomplishments they made during "National Therapeutic Recreation Week."

IN RECOGNITION OF JACOBUS PHARMACEUTICAL'S CONTRIBUTIONS TO BARBARA MOORE

HON. DOUG OSE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 18, 2001

Mr. OSE. Mr. Speaker, I rise today on behalf of a constituent of mine, Mrs. Barbara Moore of West Sacramento, California, to recognize Jacobus Pharmaceutical Company, a small family-owned company based in Princeton, New Jersey. A few years ago, Laura Jacobus, Director of Quality Assurance for Jacobus Pharmaceutical Company, reached out her hand to Barbara, who suffers from a rare condition called Lambert Eaton Myasthenic Syndrome.

Dr. David Richman, Barbara's doctor at the University of California at Davis Medical Center, placed Barbara in a treatment program for her condition, thus leading her to Jacobus Pharmaceutical. Prior to the assistance from Jacobus Pharmaceutical, Barbara couldn't even move short distances without help. As a result of her treatments, Barbara has been able to watch her son grow up, and remain an integral part of his life.

In a time where money is viewed as the main motivating factor, I am deeply touched by the selfless actions of Jacobus Pharmaceutical. It is my wish to honor Jacobus Pharmaceutical and Laura for their benevolence and unsurpassed humanity within the pharmaceutical industry.

A SALUTE TO PAT AND BILL BENNETT

HON. TOM UDALL

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 18, 2001

Mr. UDALL of New Mexico. Mr. Speaker, I rise today to pay tribute to a special husband-and-wife team from my home state of New Mexico. Pat and Bill Bennett of Placitas have spent the past decade strengthening and enhancing the Placitas Volunteer Fire Brigade. To recognize their dedicated service and commitment, this past Sunday the Brigade was renamed in their honor.

Volunteer firefighters provide one of the most valuable services imaginable to this country and its people—that of saving lives and safeguarding our precious lands. Firefighters preserve the integrity of the safety in the communities they serve. Every year, vol-

unteer firefighters are injured, and even die, in the service of their esteemed duty. Volunteer firefighting is one of the hardest jobs imaginable, and it is frequently rewarded only by the knowledge that the service it provides is vital to its community.

In this unique case, Bill and Pat both made enormous contributions to the Placitas Volunteer Fire Brigade. Bill, who began as a volunteer firefighter and was later named Chief of the department, helped establish the standards the department uses to fight structural and wildland fires. Although he retired from the department last year, Bill is still active in planning and training of new firefighters.

Pat, a registered nurse and an emergency-medical technician, is currently the brigade's medical Captain, and was a major contributor to the development of the department's medical procedures and standards. It is also important to note that in 1999, the New Mexico Injury Prevention and EMS Bureau named Pat the state's Emergency Medical Technician-Basic of the Year.

Mr. Speaker, it is often said that nothing is bigger than the heart of a volunteer. I think that is especially true for Pat and Bill and all the volunteer firefighters in New Mexico and across the country. For all their courage, their strength, their selflessness, and their dedication, I salute each and every one of them.

CHARLES TEED COMMEMORATION

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 18, 2001

Mr. McINNIS. Mr. Speaker, it is with a solemn heart that I take this opportunity to remember the wonderful life of Mr. Charles Teed. At the age of 87, Mr. Teed passed away on Friday, June 29 in Grand Junction, Colorado.

A talented writer and reporter, Charles spent much of his life working for The Daily Sentinel, the local newspaper in Grand Junction. He served as a reporter and a photographer from 1964 to 1974. In addition, he acted as the editor of the weekly church page and wrote the "Slope Action" consumer-complaint column.

Perhaps Charles's most notable work began in 1983 when he started writing the "Philately" column. This column allowed him to highlight the stamps which he collected from all corners of the world. The column ran every Sunday for ten years. Teed's travels to Iceland, England, France and Canada were never complete unless he obtained stamps from these locations to augment his collection. "Philately" was a weekly column on his personal collection that was initiated with the purchase of a stamp from Mozambique. His collection included stamps of mainly cars, railroads and famous writers.

Charles is survived by his wife Lois, their three children, 13 grandchildren, 20 great-grandchildren and two great-great grandchildren. The Teeds moved to Colorado during Charles' college years in New York state, where he was born and raised, and where Lois and Charles met. Their 65th wedding anniversary would have been on July 14.

I would like to extend my deepest sympathy and prayers to his family as we mourn his loss. It is through his past works and columns

that we will all forever recognize his contributions to The Daily Sentinel, the Grand Junction area, and stamp collectors everywhere.

HONORING THE 50TH CHARTER NIGHT ANNIVERSARY OF THE CASEYVILLE, ILLINOIS LION'S CLUB

HON. JERRY F. COSTELLO

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 18, 2001

Mr. COSTELLO. Mr. Speaker, I rise today to ask my colleagues to join me in recognizing the 50th Charter Night anniversary of the Caseyville, Illinois Lions Club.

Lions Club International is the world's largest service club association. The Lions Clubs organization has 1.4 million members in more than 44,500 clubs in 185 countries and geographical areas. The Lions are men and women who volunteer their time to humanitarian causes. The International Association of Lions Clubs began as a dream of Chicago businessman, Melvin Jones. He believed that local business clubs should expand their horizons from purely professional concerns to the betterment of their communities and the world at large. Jones' own group, the Business Circle of Chicago, agreed. After contacting similar groups around the country, an organizational meeting was held on June 7, 1917 at the La-Salle Hotel in Chicago. The new group took the name of one of the groups invited, the "Association of Lions Clubs", and a national convention was held in October of that year in Dallas, Texas. A constitution, bylaws, objects and a code of ethics were approved.

Just three years after its formation, the organization became international, when the first club in Canada was established in 1920. Major international expansion continued as clubs were established, particularly throughout Europe, Asia and Africa during the 50's and 60's. Perhaps the single event having the greatest impact on the Lions Club occurred in 1925 when Helen Keller addressed the Lions at their international convention in Cedar Point, Ohio. It was there that she challenged the Lions Club to become "knights of the blind in the crusade against darkness". They responded, and now the Lions Club organization is best known for their sight-related programs, including SightFirst, the world's largest blindness prevention program.

Second only to the Lion's commitment in aiding the blind and the visually impaired, is a strong dedication to serving young people. The Lions Youth Outreach Program challenges young people to learn, to achieve and to serve. By focusing on volunteerism, young people are steered away from harmful behaviors and become involved in youth activities. The Leo Clubs program, International Youth Exchange, International Youth Camps and the Lions International Peace Poster Contest are all youth activities sponsored by Lions Club International that promote international cooperation, peace and understanding. The Lions Club International conducts its official business in 11 languages, including English, Chinese, French, German, Italian, Japanese, Korean, Portuguese, Spanish and Swedish.

The emblem of the Lions Club consists of a gold letter "L" on a circular purple field. Bor-

dering this is a circular gold area with two Lions profiles facing away from the center. The word "Lion" and "International" appear at the top and bottom. The Lions are meant to face both a proud past and a confident future. This emblem was adopted at the 1919 convention and today Lions throughout the world are recognized by it. The Lions motto, "We Serve" precisely explains their mission and their slogan, "Liberty, Intelligence and Our Nation's Safety" means LIONS.

The Caseyville Lions Club is part of an organization that not only helps those in need, but offers its members opportunities to develop personal friendships and gain valuable leadership skills. They share a common spirit and have been united in a single cause; helping those less fortunate. The Caseyville Lions Club helps tackle tough problems like blindness and combating drug abuse, as well as diabetes awareness programs and finding help and training for the deaf, disabled, underprivileged and the elderly. In fact, wherever the community needs help, the Caseyville Lions Club, like the entire Lions Club organization, is there.

Mr. Speaker, I ask my colleagues to join me in honoring the 50th Charter Anniversary of the Caseyville Lions Club and to honor its members both past, present and future.

Mr. OSE. Mr. Speaker, I rise today to honor two constituents of mine, Mr. Leslie Matheney for his involvement and sacrifice in WWII and in Korea, and the late Walter Summ for his involvement and sacrifice in WWII.

Mr. Matheney twice served our nation in the U.S. Marine Corps; first in World War II, from January 27, 1942, through February 1, 1946, where Mr. Matheney spent the majority of his service in the Asiatic Pacific Area. Mr. Summ served in the U.S. Navy aboard the U.S.S. *Luetze* during World War II. Mr. Summ was injured in a battle near Okinawa, Japan on April 6, 1945. Mr. Summ passed away over 30 years ago without having received his Purple Heart and the public recognition he deserves.

I am pleased to report that on July 21, 2001, Mr. Matheney and Mr. Summ's son, Wally, will be presented their Purple Hearts during a public ceremony at the All Wars Memorial in West Sacramento, California. It is with great honor that I take part in this ceremony, and share their stories with you. They are truly America's heroes.
